Dear Sir:

It is respectfully requested that the above-referenced patent be amended as follows:

IN THE CLAIMS:

In Claim 83, column 22, line 41, change "groove a pay" to --groove to display a pay--.

REMARKS

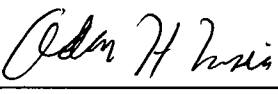

Upon the careful review of recently issued U.S. Patent 7,048,631 B2, the above-listed typographical error was noted. Patentees prepared this request for correction to the claims in order to correct this typographical error. This mistake is of a clerical nature and of minor character, and occurred in good faith. Thus, the correction of this mistake does not constitute new matter and does not make necessary a reexamination of the patent. Further, the requested change to the claims does not change the scope of Patentees' rights granted under this patent.

Since the mistake appears to be the fault of the PTO, Patentees are hereby requesting the issuance of a Certificate of Correction pursuant to 37 CFR § 1.322.

Patentees respectfully solicit the granting of the requested Certificate of Correction.

If there are any questions, please telephone the undersigned.

Respectfully submitted,
